Suppliers of below different product baskets

- **EMC/ EMI Noise filters of different makes.**
- **Safety product basket : Safety switches , Solenoid switches , Safety relays , Safety Mats , Edges.**
- **Sensor basket : Inductive , Magnetic , Capacitive , Photo-electric , Ultrasonic , Metal body , Level sensor , Color mark sensor , Special application sensors.**
- **Panel accessories like Push button , selector switches . Power supplies , Indicators , timers , temperature controllers , relays with base.**
- **Explosion Protected Products like cable glands , Push buttons , enclosures , door switches , Solenoid switches.**
- **We are working with the industries for the safety solutions of their danger area with the help of safety products & safety knowledge.**
