About Us

Our company, Shree Ganesh Export, is one of the most reliable & successful Precision Brass Components Manufacturers and Exporters. Right from our inception, we have been working with the aim to provide solutions to the organizations that are based in India as well abroad. We have gained popularity for manufacturing all Precision Components of several Alloy Metals including Brass, Copper & Aluminum. Brass Battery Terminal, Brass Coupling, Brass Nipple, Brass Insert, Brass Precision Parts, Brass Welding Parts, Brass Turned Parts and Brass Impellers are some out of many products of our company that bring to us regular demands. The products that we develop find their use in several industries from Automotive to Electrical & Electronics, Pneumatic & Hydraulic, Marine Instruments, Gas & Oil Industries and General Engineering.

The journey of Shree Ganesh Exports, started back in the year 2006, from Jamnagar, Gujarat. We have successfully established itself as a leading manufacturer, supplier and exporter of Brass Precision Parts, Brass Metal Washers, Brass CNC Turned Parts, Battery Terminal, Brass Welding Parts, Brass Insert, Brass Turned Parts, etc. Our Vision Since civilization, Brass has remained one of the most known & used metal to mankind, yet our company, Shree Ganesh Export, believes that we have not yet found all effective applications of this material. So, leveraging on our technical expertise, sound R&D process and dexterous engineering & designing team, we aim to develop finest precision components from brass. We are sure to be a trend setter in the Metal Processing Industry by serving 00% defect free products and archiving zero (tolerance) adverse effect on environment.
