

WATER HEATER

Together We Work To Full-Fill Your Needs.

Bamboo Splitting machine, Biomass Based Insulated Water Heaters, Biomass Gasifier , Drier Based on Biomass, Hot Water Boiler, Medleri Charkha for Wool Spinning, Papad Maker, Rope Making Charakha, Sisal Fibre Extraction Machine, Spinning Wheel (Charkhas), Tava Stove, Three Pan Cook Stove, Water Heaters, Water Heaters With Portable Over Head Tank, etc.

500 LTR BIOMASS WATER HEATER

60 LTR STAINLESS STEEL BIOMASS WATER HEATER

50 LTR BIOMASS SIMPLY WATER HEATER

About Us

Phoenix Products is a leading manufacturer, supplier, and exporter of Biomass Saral Stove, MS Wood Splitter, Wood Chipper Cutting Machine, Rotary Sand Dryer, Rotary Sand Sieving Machine, and more. Our main objective is to comprehend the precise needs of each and every one of our clients. Here, we uphold a clearly outlined quality control policy to guarantee impeccable quality in our final products. Following this policy, we source top-notch raw materials, conduct thorough testing throughout the production process, adhere to global quality benchmarks, and ensure timely delivery to our customers. Quality is upheld across all aspects of our operations, encompassing product packaging, client feedback, technical support for post-sales service, and various other areas.

We are firm believers that a strong infrastructure is the cornerstone of success in every business endeavor. With this principle in mind, we have established a robust infrastructural foundation that significantly contributes to our achievements, providing us with all the necessary resources to produce top-notch products of unparalleled quality. Our state-of-the-art manufacturing unit, advanced quality control department, and cutting-edge R&D facility collectively drive our progress in the industry. Furthermore, our highly skilled workforce, which forms an integral part of our infrastructure, further enhances our capabilities.

Key Facts

Nature of Business	Manufacturer
Primary Competitive Advantages	energy conservation equipment,
No of Staff	35
Year of Establishment	1992
OEM Service Provided	No
ProductRange	energy conservation equipment,

Our Products

Biomass Cook Stove

Biomass Water Heater With Cook Stove

Biomass CCD Stove

Biomass Turbo Stove

100 Ltr Electric Water Heater

60 Ltr Biomass Water Heater

Biomass Prakti Stove

500 Ltr Stainless Steel Biomass Water Heater

Biomass Saral Stove

40 Ltr Puf Insulated Biomass Water Heater

Biomass Based Annapurna Stove

60 Ltr Biomass Water Heater Boiler

Biomass CCD Stove

40 Ltr Biomass Water Heater

L Type Stove

100 Ltr Biomass Water Heater
