About Us

Unique Bar Code Solutions is a leading manufacturer and supplier of high-quality barcode printing solutions, proudly based in India. With a strong focus on innovation, precision, and customer satisfaction, we specialize in offering a wide range of products including Self Adhesive Barcode Labels, Black Wax Resin Barcode Ribbons, and Black Wax Thermal Transfer Ribbons. Our products are engineered to deliver reliable performance across diverse applications in industries such as retail, logistics, pharmaceuticals, manufacturing, and warehousing. Backed by a well-equipped manufacturing unit and a skilled team, we ensure that each product meets the highest standards of quality, durability, and compatibility with various printing systems.

We understand the critical role barcode solutions play in operational efficiency, inventory tracking, and product identification, which is why we prioritize consistency and accuracy in every batch. Our customer-centric approach, competitive pricing, and timely delivery have earned us the trust of a growing clientele nationwide. At Unique Bar Code Solutions, we continuously invest in advanced technology and innovation to stay ahead of market demands and provide tailored solutions that meet specific client requirements. We aim to be your trusted partner for all barcode labeling and printing needs.
