About Us

With the commitment to serving Indians and fellow human beings, SD Pharma Solution has established itself as a reputed trader, supplier, and exporter of a highly effective range of cardiac care medicines, anticancer medicines, asthma medicines, different types of pharmaceutical products, pain killer medicines, and other broad categories of medicines. Under these generic medicine categories, we deal in Raltegravir Tablets, Clotrimazole Vaginal Tablets IP, 200mg Ketoconazole Tablets, 800mg Darunavir Tablets, 200mg Voriconazole Tablets IP, and a large number of other medicines essential for human health.

We have close business relations with some renowned pharmaceutical companies in India. As we are an export-oriented company, we export 80% of the medicine stocks to overseas markets, primarily in parts of Africa, Asia, and others.

Since we are also an export business of medicines, we are well-aware of the entire procedure for export of medicines to different parts of the world. Our medicines are highly effective in treating chronic and terminal diseases. The range of medicines is available in tablets, capsules, and drops. We also have devices, such as infrared thermometers, nebulizers, and oximeters. Our range also includes products from brands, such as Nicotex and Varnitrip.
