About Us

Founded in 2006, we, Chandanmani Industries, are a prominent manufacturer and supplier of the best quality range of Virgin Polypropylene Plastic Sutli, Plastic Baler Twine, Polypropylene PP Baler Twine, Tomato Supporting PP Baler Twine, etc. We are a client focused company from Sanand, Gujarat, India, that was established with an aim to provide exemplary products to our valued customers. Owing to quality products backed with nominal pricing and timely delivery, today, we have set a benchmark in the entire domestic market. We have a large and well-equipped infrastructural unit that sprawls over a wide area. Our unit comprises various divisions such as production, logistics, warehousing, procurement, quality testing, sales & marketing, packaging, etc. Our manufacturing unit equipped with the latest machines and modern tools is at the heart of our operations, and is well maintained under the supervision of an experienced team of professionals.

Our main goal is to have a strong foothold in the market by offering a defect-free product range that has been made using the best-grade fibres and advanced techniques. Our products are highly demanded for their colorfastness, fine finish, high tensile strength, etc. We have quality experts who strictly check them on many vital quality parameters to ensure their flawless quality. We also provide our products in various colours as per the requirements of our customers.
