## QUALITY POLICY

**Pooja Industries** is committed to delivering precision-machined components that consistently meet customer requirements, statutory obligations, and industry standards.

We shall achieve this through:

- **Customer Satisfaction**

Ensuring on-time delivery, meeting quality requirements, and continually improving customer confidence.

- **Process Excellence**

Maintaining effective process controls in CNC, VMC, turning, and machining operations to achieve consistent product quality.

- **Continual Improvement**

Enhancing our Quality Management System (QMS) through evaluation of risks, opportunities, internal audits, and management reviews.

- **Competency & Teamwork**

Providing necessary training, resources, and a safe working environment for all employees.

**Authorized By:**

**Managing Director**

**Mr. RAJKUMAR AGHERA**
