About Us

Vidyanand Labs Pvt. Ltd. is a name trusted by a large clientele when it comes to purchasing premium-quality medicines. Headed by a diligent professional, Mr. Anand Jalukar, our company is setting benchmarks in the industry. With every deal we crack, we gain an edge over our competitors, enhancing our market reputation. To date, we have a positive track record of offering 100% customer satisfaction.

All our offered Amruta Tablets, Ayurvedic Dietary Supplements, Prophala Tablets, Ayurvedic Laxative Tablets, Panchamas Tablets, and other products are manufactured at our ultramodern manufacturing unit under the constant supervision of our professionals. Each product is perfectly composed, safe to consume, has longer shelf lives, and has perfect pH levels. Also, the high effectiveness of our products makes them a desirable choice for customers, providing them with quick results. Since 1998, we, Vidyanand Labs Pvt. Ltd., have been the prime choice of several customers to avail of a wide range of highly effective Panchamas Tablets, Prophala Tablets, Ayurvedic Laxative Tablets, Ayurvedic Dietary Supplements, Amruta Tablets, and other products. We are a Mumbai (Maharashtra, India)-based renowned manufacturing company committed to excellence.
