## About Us

Sunrise Chemicals is a decades-old manufacturer, supplier, and exporter in the industry, widely popular for providing world-class Fabric Glues, Styrene Acrylic Binders, Marvel Wood Adhesives, Dry Lamination Adhesives, and other products at never-seen-before prices. We are listed among the favorite choices of the customers. In addition to our quality-assured products, our fair business practices, flexible business policies, and customer-centric approaches are the main reasons why we are loved by the audience.

We have set up a robust shipping network in order to timely deliver all the orders of our customers. Irrespective of the order value, we employ the fastest and safest delivery routes to dispatch each order to its delivery destination. Our network comprises reliable transportation modes, experienced delivery agents, and safe delivery channels. Also, our network connects us to various neighbouring markets, expanding our market presence.
