About Us

A reputed firm, we, Fibre Glass Insulations have been working since 1988 as the manufacturer, supplier, trader, wholesaler and retailer of various products. We offer avant-garde Fibre Glass Tissue, Resin Bonded Slab, Suman White Thermocol Sheet, Tar Sheets For Roofs, Colour Coated Roofing Sheets and other products. These are manufactured in our facility based in Ghaziabad, Uttar Pradesh, India. The production process is carried out with the aim of meeting the different requirements of the clients. Our clients appreciate our products for their various unique characteristics that make them ideal for various applications.

Our company is supervised by Mr. Suman Paruthi, who is the proprietor and overlooks all the operations. With his experience and expertise, we are in a good condition to comprehend the requirements of the clients. We are also backed with the required resources, facilities and team to provide the range which is high on quality and satisfy application requirements of customers.
