About Us

Apeksha Enterprises is engaged in the domestic market as a supplier and trader of industrial motors, gear box, wires and cables and many other products. Established in 2015, our offered portfolio includes Electric Brake Motor, Electrical Wires And Cable, Aluminum Worm Gear Box, AC Electric Motors and many more items. These are widely used in numerous industries and residential spaces. Our customers love our products due to their functional accuracy, innovative design, heat resistance and affordability. With our rich industrial experience and expertise in the electrical products, we are able to build a strong reputation in the market.

Our products are sourced from the best vendors in the market to provide our customers with a range, which is reliable. These vendors are selected after being carefully inspected on several factors such as product quality, past records, market credibility and many others. In addition to careful selection of vendors, we are also focused on providing our customers with a superior experience. Hence, we solve every query of our customers and implement their feedback to improve the products, practices and policies of our organization.

**Key Facts**

Nature of Business	Wholesaler
Primary Competitive Advantages	electric induction motor,induction motor,three phase electric motor,flour mill electric motor,siemens electric motors,havells electric motor,crompton motor,abb electric motors
No of Staff	10
Year of Establishment	2015
OEM Service Provided	No
ProductRange	electric induction motor,induction motor,three phase electric motor,flour mill electric motor,siemens electric motors,havells electric motor,crompton motor,abb electric motors

Our Products

Vibrating Electric Motor

AC Induction Motor

Three Phase Flame Proof Motors

Crompton Greaves Motor

Bharat Bijlee Electric Motor

Electric Motors

Three Phase Ginning Electric Motor

Induction Motors

Three Phase Gear Motor

Three Phase Induction Motor

Flange Mounted Electric Motor

AC Electric Motors

High Torque Motor

Electric Motor

Inverter Duty Motors

Crane Duty Motors
