About Us

Founded by a visionary, Mr. Leelesh Kuman, our company, Stretch And Tapes International, is continually growing by leaps and bounds. Established in the year 2014 as a manufacturer and supplier, today, almost after a decade, we stand at a position in the market where we have a large clientele, comprised of only loyal customers who trust us to fulfil all their requirements for tapes and papers. We deal in different kinds of tapes and papers. Our product portfolio encompasses cling film (food grade), stretch film (manual and machine grade) and all type of self adhesive and all kind of packaging material and more. and more. All our products are made as per the predefined industry norms.

Our professionals design the products as per the requirements of our customers and the current market trends. No product of ours is outdated or of low quality. Because we manufacture them using the best-quality raw materials, the quality of our products is undoubtedly flawless. Durability and reliability are two terms that best describe our product range.
