- Stock Available Minimum Qty.5000 Nos
- Manufacturing Immediate As Per Your Requirement.
- Available In All Sizes As Per Required.

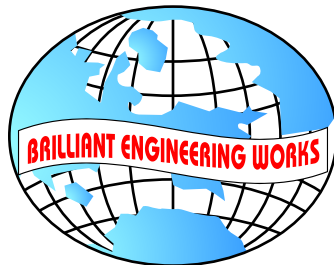

ISO 9001:2008 Certified Company

PROFILE

Established in the year 1995, we "Brilliant Engineering Works" are engaged in manufacturing, supplying, exporting and wholesaling a wide gamut of Cooling systems as Quick Release Couplings, Nipples, Spray Nozzles, and Fire Fighting Equipment. Our organization is a sole proprietorship (Individual) firm. These products are highly robust, strong, fire resistant and also possess high resistivity to various chemicals. Our products are manufactured using high grade material, which is procured from leading market vendors.
