# Synopsis

---

# THE COMPANY

---

Driven by Passion & Energy, KKTS is a young team of enthusiastic professionals with customer satisfaction at core and ideas in mind.

---

We believe in solving problems and suggesting solutions thereby gaining customer confidence and creating value.

---

Started in July 2017, KKTS has grown as a preferred partner to its customers in the area of operation.

---

Having the Corp. Office at East Delhi and a branch office at Haridwar, KKTS operates in the states of Delhi, Haryana, Uttar Pradesh & Uttarakhand.

# LEADERSHIP

- A Mechanical Engineer from Jamia Millia Islamia, Mr. Pradeep Kumar is a professional into the industry for over 17 years.
- Having worked with corporates like Oerlikon, Forbes, L&T, Bosch, Ingersoll Rand & Hitachi, Mr. Kumar has been a crucial support to his customers throughout his career.
- With a vision to serve the industry 360°, he started KKTS in Mid 2017 and today has a strong base of satisfied clients in the industry.
- His exposure to solutions for a varied industry base such as Automotive, , General Engineering, Aviation, Oil & Gas, Process Industries has been a key point of growth of the organization.
- A visionary towards the upcoming technology and problem solving mindset, KKTS moves in the direction to help industry grow with the time.

# VISION

- To become a partner of choice in the field of Compressed Air systems, Maintenance & Assembly Solutions and Marking & Traceability solutions through innovative applications and exemplary services

## 2017: The beginning

Strategic Phase – Laid Down foundation towards the journey

Infrastructure – Small office at North-East Delhi

Team Size – 2

## 2018: Stepping Stones

Alliances and coalitions – Partnered with world class brands.

Spreading Footprints – Spread to the Geographies of Delhi, Haryana and Uttar Pradesh

Recognitions – Recognised as Emerging business partner by the principals in the assigned territories.

Infrastructure – Shifted to a new Corporate office at East Delhi. Started a full-fledge service station for the products served.

Team Size – Increased to 7. Start of a structured organisation. Team base expands from Delhi to Uttarakhand.

Policies & Values – Structured company policies put in place. Standardization of work started.

## 2019: Growth Phase

Growth Phase – KKTS holds a strong customer base of over 150 clients in the operating region.

Expansion & Consolidation – Puts more focus on the core products & services. Necessary alliances and consolidations done.

Infrastructure – A centralized warehouse developed. Opened a branch office at Haridwar to serve Uttarakhand customers closely.

Team Size – Grows to 13 and a much organised work culture developed.

Technology – Latest technology products in the profile help KKTS grow much faster than before.
