Product Data Sheet

DIRECTION FOR USE

- Step 1 : Shake well.
- Step 2 : Spray from a distance of 15 - 20 cm directly on a precleaned surface.
- Step 3 : Spray till the area gets covered with product.
- Step 4 : Do not wipe.

For soft surfaces, do not saturate with product. Always perform a patch test (spray on a smaller new surface to check product suitability).

CAUTION

Do not ingest. IF SWALLOWED, seek immediate medical attention and show this package. Avoid contact with eyes. Rinse the eyes immediately if the product comes into contact with them and consult the doctor. Pressurised container. Do not use on silk, rayon acetate or satin fabric. Do not use on brass, copper and prolonged contact with aluminium. Do not use on polished wood, painted surfaces or acrylic plastic. Extremely flammable aerosol. May burst if heated. Keep away from heat, hot surfaces, sparks, open flames and other ignitions source. Do not pierce or burn, even after use. Protect from sunlight. Do not expose to temperatures exceeding 50°C. Keep out of the reach of children. Not for Personal Use.
