About Us

With the increasing scope of shipping and delivery services, the use of packaging materials has seen an unprecedented demand growth. And your business can now serve to such a spurt in demand with the support of our company, Ganpati Packagings. We provide a wide range of products such as BOPP Tape, Gaffer Tape, BOPP Stretch Film, Shrink Film, Jute Twine Bottle, Screw Cap, Box Strapping Roll and Air Bubble Sheet, for all your businesses packaging needs. Serving the roles of a manufacturer and supplier, we strive endlessly to ensure that all the products in our range provide the best possible quality to all the consumers at the most affordable prices. To further ensure that the packaging products that we produce do not witness any kind of quality retardation after the initial production process, we use the highest-quality raw materials and also store our products in the best way possible. Aid your business to expand the right way with our product range.

Seeking a valid source of packaging products for your business needs, we, Ganpati Packagings could be of assistance to you. We are a manufacturer and supplier of a wide range of packaging products, such as Air Bubble Sheet, BOPP Tape, Gaffer Tape, BOPP Stretch Film, Shrink Film, Jute Twine, Bottle Screw Cap, and Box Strapping Roll. All our products have been manufactured ensuring that they are easy to use and can provide the best possible solution to all of the customers needs. Every product that we produce is tested several times while it is under production to ensure that the customer does not face any challenges or issues while using the product. Further, to ensure that all our in-house tasks are conducted as per the requirements, we have maintained sound facilities in Kolkata, West Bengal, India.
