About Us

Sarovar Ceramic offers an extensive selection of sanitary ware products that can satisfy different customer needs. Our range includes items such as Wash Basin, Polo Set Pedestal Sink, Cross OP Toilet Sheet, Half Stall Urinal, Ladies Urinal, Oval One Piece Closet, Wall Hung Closet, among others. We have earned a trusted name and reputation in the industry as a prestigious manufacturer and exporter by paying high focus on the finishing, durability, and quality aspect of our products. We provide sanitary ware in different colors, designs and sizes that further allow us to meet demands of a huge clientele.

We envisage establishing long-term relationships based on trust with our customers by ensuring high-quality services/products are rendered at all times. Unlike many other companies in this field that focus more on quantity than quality when it comes to product delivery, at Sarovar Ceramic we emphasize delivering premium quality products only. We conduct tests on our sanitary products to be assured of the supreme quality. Our commitment towards producing superior sanitary ware is what sets us apart from other manufacturers in the industry. We have a proven track record for being able to deliver first-class services consistently thus winning us recognition as one of the most respected brands for ceramic sanitary products in India.
