About Us

Established in 1975, COBIT Engineering Pvt. Ltd. began its journey as a partnership firm and has since evolved into a Private Limited Company, reflecting its steady growth and strong foundation in the material handling industry. Over the decades, the company has built a reputation for reliability, innovation, and engineering excellence. Cobit operates from a well-furnished 3,000 sq. ft. corporate office located in deonar, mumbai, which serves as the central hub for its administrative and managerial functions. Its manufacturing capabilities are supported by a large-scale factory setup comprising two units spread across an impressive 65,000 sq. ft. area in Sinnar, Nashik. This extensive infrastructure enables the company to efficiently handle projects of varying scales and complexities.

The company specializes in the design, manufacturing, and supply of a wide range of conveyor systems, including Belt Conveyors, Pipe Belt Conveyors, Screw Conveyors, Apron Conveyors, Sidewall Belt Conveyors, En-mass Conveyors, and Bucket Elevators. In addition to individual equipment, COBIT possesses strong expertise in delivering turnkey material handling systems, offering end-to-end solutions from concept and design to installation and commissioning. This comprehensive capability makes COBIT a trusted partner for diverse industrial sectors.
