

Custom ABS Electrical Electronics Enclosure (70x70x35mm)

AURO3D: Protect your electronics

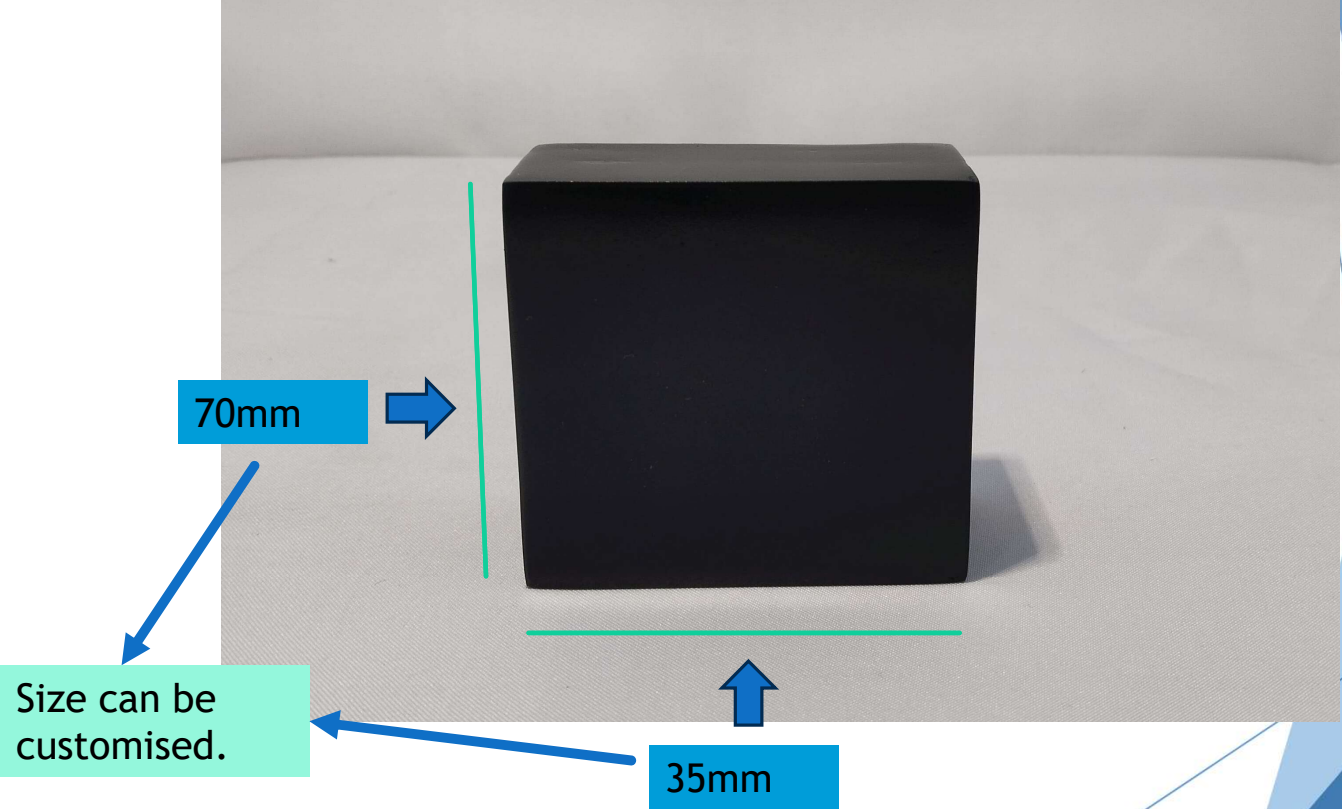

CUSTOMIZED ELECTRICAL ELECTRONIC ENCLOSURE

- Customize ABS enclosures for a perfect, time-saving fit
- Tailoring enclosures for effortless electronic integration

FLEXIBILITY TO DESIGN AND MANUFACTURE IN YOUR OWN SIZE

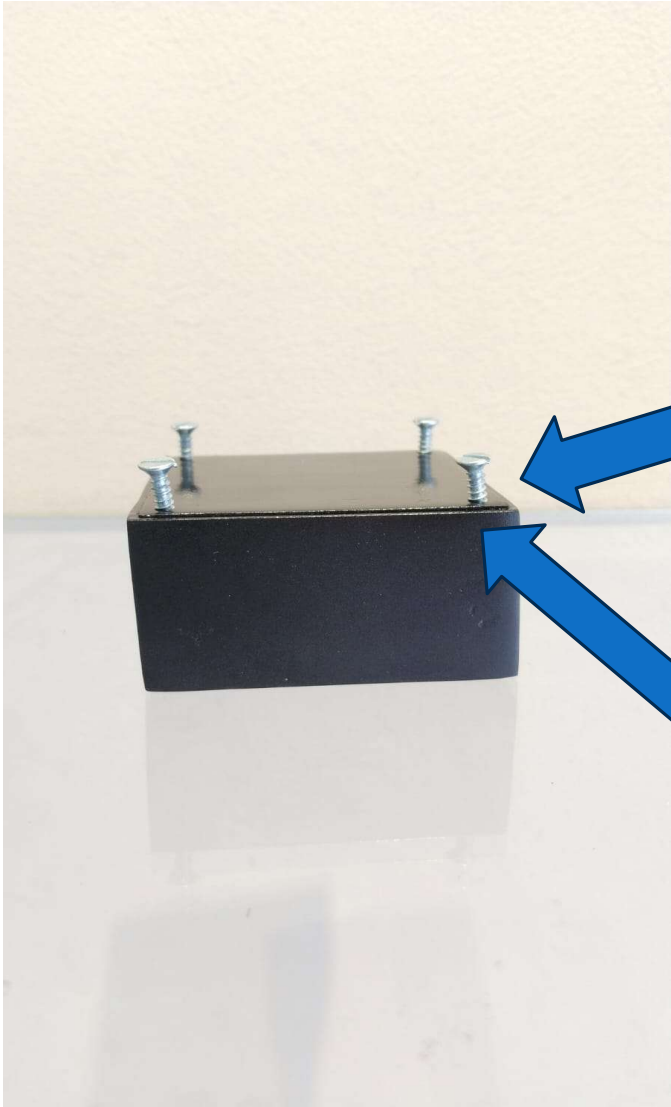

PERFECT FIT, EVERY TIME

- Custom ABS enclosures designed for seamless electronic integration

Can do screw fitment

Can be customized in a snap fit

We can insert as per your requirement

SIMPLIFY INTEGRATION

- Custom ABS enclosures ensure a perfect and efficient fit for your electronics

THE CHALLENGES OF STANDARD ENCLOSURES

- Time-consuming manual modifications
- Custom mounting solutions often require glue or additional work
- Poor enclosure closure due to custom PCBs and device fittings

THE BUSINESS VALUE OF CUSTOMIZED ENCLOSURES

- Reduced modification time, saving labor and material costs
- Secure fit and improved longevity of devices
- Enhanced brand presence with personalized enclosures
- Better fit and functionality with custom PCBs and devices
