About Zylig Lifesciences

Zylig Lifesciences started with its roots in pharmaceutical manufacturing in late nineties with a tablet manufacturing unit. We have stood the stand of time by maintaining our philosophy of **Best Quality Pharmaceutical Products**. This have helped us to be the **Best Pharma Franchise** in India.

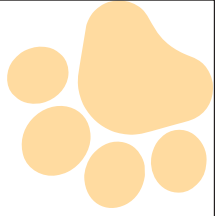

Maintaining the product efficacy, we have kept on adding products during the years and now have more than **800 Products** in our PCD portfolio. Our market and product study has paid us well and our experience and hunt for talent has brought us in notice all over India.

We believe that just having large number of products in PCD portfolio is not enough, providing complete support, feedback, market research, promotional products and regular offers is all necessary. Our Experienced and well versed staff provides end to end support to all our clients. We take care of the dispatch, promotion, packing and product efficacy so that our clients can concentrate on selling the products & maximising their profit potential. We provide monopoly based franchise all over India. Our Product portfolio is of tablets, capsules, softgels, infusions, injections, syrups, dry syrups, eye drops, lotions, ointments, soaps, sanitizers and other Pharmaceutical products.
