About Us

Welcome to Ajanta Ultraplast Pvt. Ltd., a trusted name in the field of industrial machinery and equipment. Established in 2017 and based in Delhi, India, we are a professionally managed company engaged in the manufacturing, supplying, installation, repairing, and Annual Maintenance Contract (AMC) services for a wide range of industrial machines. With a strong focus on quality, performance, and customer satisfaction, we provide reliable machinery solutions designed to meet the diverse requirements of businesses across different industries. Our experience and technical expertise enable us to understand the practical challenges faced by our customers and offer machines and services that deliver dependable performance and long-term value.

Ajanta Ultraplast Pvt. Ltd. is a professionally managed manufacturer, supplier, and service provider of industrial machinery, established in 2017 and headquartered in Delhi, India. We offer dependable and efficient machinery solutions designed to meet the varied requirements of modern manufacturing and industrial businesses. Our product portfolio includes Plastic Welding Machines, Non Woven Bag Making Machines, Printing Machines, Textile Machines, and Ultrasonic Welding Machines. We are committed to supplying quality machinery that delivers reliable performance, operational efficiency, durability, and value for our customers. In addition to manufacturing and supplying machinery, we provide complete installation, repair, maintenance, and Annual Maintenance Contract (AMC) services. Our skilled technical team ensures proper machine installation, smooth functioning, timely troubleshooting, and effective after-sales support to help customers minimize downtime and maintain productivity.

Key Facts

Nature of Business	Manufacturer
Primary Competitive Advantages	non woven bag making machine,Manufacturer service provide,ultrasonic machine
No of Staff	10
Year of Establishment	2017
No of Production Lines	1
OEM Service Provided	Yes
Monthly Production Capacity	as per customer requirement
ProductRange	non woven bag making machine,Manufacturer service provide,ultrasonic machine

Our Products

Offset Printing Machine

RO Line Spin Welding Machine

Sublimation Paper Printing Machine

Automatic Loop Handle Sealing Or Punch

Non Woven Box Bag Making Machine With

Non Woven Box Bag Making Machine With

D Cut Non Woven Bag Making Machine

Non Woven Box Bag Making Machine

Zipper Bag Making Machine With Hanger

Hot Plate Plastic Welding Machine

Fully Automatic Carry Bag Making Machine

Heat Transfer Embossing Pasting

CI Flexographic Printing Machine

PP Spunbonded Non Woven Fabric

Ultrasonic Plastic Geyser Outerbody

D Cut Automatic Non Woven Bag Making
