About Us

MAHESHWARI CAPS PRIVATE LIMITED, since 2004, has been winning accolades and appreciation for its contribution in the plastic industry. Premium quality Plastic Caps, Moulding Dies, Injection Moulding Dies, Cosmetic Container, Plastic Oval Jar, Plastic Bottle Cap, Pet Bottle Preform etc. that we offer are the result of continuous investment in R&D, technology along with experience and knowledge of the industry. This has made us a prominent manufacturer and supplier for offering plastic packaging products and exemplary services.

Client satisfaction is very important to us and we work with them at every phase of the process right from design to delivery. Whether our client requires bespoke custom-tailored item or a standard product, we work in collaboration with our teams to ensure a high-quality product. Working this way, our business has witnessed tremendous growth, over the years, culminating in the expansion of our business, machinery and facilities. This has also been made possible with the continuous efforts of our promoter, Mr. Akshat Daga, who has constantly motivated us to push our boundaries of design and manufacturing to come up with products which are not different but new.
