About Us

Founded in 2004 as **Maheshwari Polymers**, today **Maheshwari Caps Pvt. Ltd.** stands as a reliable partner for industries seeking **high-quality Rigid packaging solutions**. We specialize in **HDPE/PET Bottles, Jars, Caps, Closures, Containers**, and precision **Moulds & Dies**. By combining advanced molding techniques (ISBM, IBM, Blow, and Injection Molding) with polymers sourced from trusted suppliers, we guarantee durability and excellence. With our in-house **mould manufacturing and decoration facilities** for bottles & caps, we not only meet current demands but also help clients bring their new product ideas to life.
