## About Us

The fundamental requirement for various sorts of massagers is continually increasing across the market, as our company, iRobo Wellness Private Limited has properly analysed. We began as a manufacturer, supplier and wholesaler of a variety of massagers, including iRobo iEmbrace Massage Chair, iRobo Dual Cushion Back Car Seat Massager, iRobo Leggies Leg Massager, iRobo Knee Joint Max Massager, iRobo iElegant Massage Chair, and others. Following the development of the products, we inspect each batch to check whether it meets the necessary quality norms. Since the establishment of our company in the year 2010, we have always maintained a strong relationship with all of our customers by supplying them with premium quality products at much more reasonable prices than our competitors in the market.

The demand for various massagers has been continually increasing, which we, iRobo Wellness Private Limited continue to meet them with our great product line. For more than a decade, we have supplied a diverse assortment of massagers, including iRobo iDream Massage Chair, iRobo D24-1 Car Seat Massager, iRobo Lumbar Traction Massager, iRobo C30 Leg Massager, iRobo iActive Massage Chair, iRobo Easy Head Massager, and many others. We have our premises established in the city of Bengaluru, Karnataka, India, from where we can quickly and efficiently deliver orders to clients. In addition, our unique marketing techniques are being used to promote our high quality, moderately priced products to the broadest possible audience of the market.
