OEM'S WHO BELIEVE ON US

(A MEMBER OF   )

All items showed in this catalogue are not original parts. The vehicle brand, that are mentioned in this catalogue, are of manufacturers ownership of the vehicles to which they make reference. Their use is this catalogue, as well as the genuine codes included, were used with the only purpose of helping to identify all the vehicles models in which the spare part must be set. The CI Car International items, though they are not genuine, are perfectly adaptable to the vehicles to which they make reference.
