## FROM THE DIRECTOR'S DESK

*Dear Customer,*

***CI CAR INTERNATIONAL PVT. LTD.** is a Professional manufacturer specializing in auto door handles ,window regulators and cabin Parts. More than 4000+ Products available with us for Indian / Japanese / Korean / American / German & European Vehicles.*

*It established in 1973 and achieved a leading place in the related industry due to our product quality & service. We committed to deliver quality and cost-effective products to customers. Our philosophy of total quality systems from the desire to ensure customer satisfaction not only from the product quality and on-time delivery but also from the services offered by all staff of our Firm. Statistic Process Control and periodical patrolling inspection is part of the quality assurance effort to ensure that all products conform to our customer's specifications. To bring excellence in our pursuit for total quality, the Company always tries to maintain it.*

*We are dedicated to creating and manufacturing above said Products for varied applications. The experience & creativity of our engineers, combined with high performance materials allow us to produced specialized products to meet the long term requirements of automotive & industrial customers. We are proud of having more than 25+ vehicles manufacturers are using our products as original equipments and trust on our well known brand "CI" .*

*The company has continuously invested on its manufacturing facilities. We develop over 200+ new products every year, and also work with customers to open new tooling and develop new Product lines. We sincerely welcome worldwide esteemed customers to visit our factory and give their valuable suggestions and comments that help us to improve the Products Quality & Services.*

*We also direct export our products to more than 45 countries in the world like Argentina, Germany, Middle East, South Africa, U.S.A, U.K, U.A.E etc.*

*Thank you for taking the time to go through our updated catalogue January 2019.  
We re looking to be at your service in the near future.*

*Yours truely,*

*CI Car Internatioanl Pvt. Ltd.*

All items showed in this catalogue are not original parts. The vehicle brand, that are mentioned in this catalogue, are of manufacturers ownership of the vehicles to which they make reference. Their use is this catalogue, as well as the genuine codes included, were used with the only purpose of helping to identify all the vehicles models in which the spare part must be set. The CI Car International items, though they are not genuine, are perfectly adaptable to the vehicles to which they make reference.
