About Us

For a decade, clients trust Veera Jewellery Creations Private Limited for its incredible capacity to manufacture exquisite Necklace Sets at highly competitive pricing. Established in 2013, we are a widely acclaimed jewellery manufacturer and supplier specialising in premium Necklace Sets that stand out in the market. We have a strong faith in our team, values, and we work with a deep passion for achieving new heights of excellence in jewellery making. We have a team of experts with a unique mix of talented jewellery designers, dedicated supporting professionals, quality analysts and others. Our vibrant mix of talented individuals share a common vision and believe in creativity, excellence, and transparency. With their support, we have the capability to offer our clients jewellery pieces in a bespoke design. We have maintained a sound jewellery making set up and made association with a reputed logistic companies that allow us to fulfil small to big orders of clients, promptly.

Since inception, we have been working hard to reach the pinnacle of success, and maintain our reputation in the market. We have built our success on pillars of fairness, honesty, trust, and integrity. We always believe in building long-standing relationships with our clients and therefore we delight them from our client servicing, detailing of the designs and on-time delivery of orders. Our name is synonymous with supreme quality, expert craftsmanship and professional client servicing. We have built a name as a reputable jewellery company, capable of producing premium quality jewellery at the most affordable rates.
