

manufacturer, exporter
& supplier of

Single Stage/Two Stage Dry
Vacuum Pumps, Single Stage/Two
Stage Compressors, High Pressure
Air Compressor, Water Cooler
Lubricated/Non Lubricated
Compressors, Multi Stage High
Pressure

Air Marshal Air Compressor, Automobile Engine Accessories, Connecting Rod, Crankshaft, Cylinder, High Pressure Air Compressor, Portable Air Compressor, Single Stage Air Compressor, Single Stage Low Pressure Air Compressor, Single Stage Low Pressure Compressor, Vertical Air Compressor, Vertical Single Stage Air Compressor, etc.

DRY VACUUM PRESSURE PUMPS

AUTOMATIC DRAIN VALVES

AIR COMPRESSOR SPARE PARTS

About Us

With the rapid changes occurring in the technology, there are times, when the history reaches a turning a point and while it happens, there are always the two kinds of people, the ones who act and the others who watch. We, at, Gajjar Compressors Pvt. Ltd. are both, participants and the observers in the making of new history in the field of engineering. As a Manufacturer, the sole reason behind our existence is to bring fresh ideas to the table while evaluating and showcasing a selection of industrial equipment such as Single Stage/Two Stage Dry Vacuum Pumps, Single Stage/Two Stage Compressors, High Pressure Air Compressor, Water Cooler Lubricated/Non Lubricated Compressors, Multi Stage High Pressure Compressors and many more.

Our passion for changing the lives of people with top-of-the-line engineering products is only matched by the zeal of our staff who constantly strives day and night to bring resources, their knowledge and experience upon a single platform to achieve optimum results. Because of their work as a team to bring nothing but the best into limelight has helped us touching heights of success and made us an ISO 9001:2008 certified business. Since the time of our establishment, in the year 1990, we have been looked upon as a symbol of trust. This is being the reason; we have been capable of establishing ourselves not only in the markets of Africa, USA and UK, but many other countries.

Key Facts

Nature of Business	Manufacturer
Primary Competitive Advantages	compressor spares,compressor block,rotary screw compressors,air cooled compressors,high pressure air compressors,multi stage air compressor,two stage air compressor,single stage air compressor,oil free air compressor,rotary air compressor
No of Staff	15
Year of Establishment	1990
OEM Service Provided	No
ProductRange	compressor spares,compressor block,rotary screw compressors,air cooled compressors,high pressure air compressors,multi stage air compressor,two stage air compressor,single stage air compressor,oil free air compressor,rotary air compressor

Our Products

Vertical Air Receiver Tank

Industrial Air Receiver Tank

Refrigerated Air Dryer

Screw Compressor

Rotary Screw Air Compressor

Portable Screw Compressor

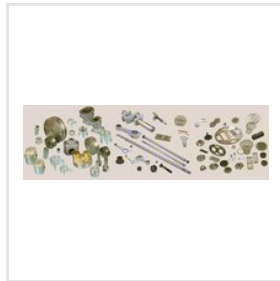

Screw Compressor With Air Dryer

Tank Mounted Screw Compressor

Air Receiver Tank

Air Compressor Spare Parts

Horizontal Air Receiver Tank

Dry Vacuum Pressure Pumps

Automatic Drain Valves

Industrial Air Dryer

PET Blowing Air Compressor

Heatless Air Dryer

ADDRESS

Plot No. 5319, Phase-IV, Opp.
Ramol Police Chowkey, Behind
Windsor Ltd., G.I.D.C., Vatva,
Ahmedabad, Gujarat, India
(382445).
