About Us

Harekrishna Overseas, a well-known brand, is known in the market for being a leading manufacturer, supplier, and exporter of Green Stem Wine Glass, Modern Clear Glass Vase, Export Quality Cake Stand, Glass Candle Jar, Italian Cordial Glass, and more. Made from premium quality raw materials, these products are not only durable but also attractive in their designs. Our clients have access to a wide range of products offered in different shapes, sizes, and more. Recognizing that not all customers can afford high-priced items, we strive to meet the needs of a diverse audience by providing these goods at competitive prices. The materials used in our products are sourced from reputable vendors in the market, selected through extensive research considering factors like their capacity to meet our bulk demands, product quality, pricing, and delivery efficiency. These values are reflected in our business practices, ensuring utmost customer satisfaction.

The development of any organization heavily relies on its infrastructure. This crucial element aids in the accomplishment of our objectives and aspirations. The workplace serves as the primary location where employees dedicate a significant portion of their time. When the working environment is favorable, it positively impacts the mood of an individual, subsequently boosting their effectiveness and output. Taking into consideration these factors and more, we have established a sturdy infrastructural setup that spans across a vast expanse of land and is adequately ventilated.
