About Us

Almas Pool is a leading manufacturer and supplier of Pool Ladder, Underwater Fountain Light, Telescopic Pole, Plastic Artificial Water Item, and many pool related items. Our products are demanded because of the features like corrosion-resistance, durable nature, low maintenance, and much more. We are a company that owns excellent production facilities and is backed by a team of experienced professionals. From us, customers can also get Swimming Pool Construction Services, Project Management & Consultancy, Turnkey Projects in Swimming Pools, etc., at pocket-friendly rates. To attain the satisfaction of our esteemed customers, we can go to any extent to meet our set goals. We make sure that our approach to conducting business deals meets the expectations of the customers. This working philosophy helps us stand out in the competitive market, thereby, allowing us to earn huge profits along with client satisfaction. With our expertise in the respective field, we aim to expand our business in the international market.

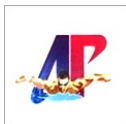

The foundation stone of our company, Almas Pool, was laid in the year 2014 at Indore, Madhya Pradesh, with the intent to offer the right value of customers' money. Under the leadership of Mr. Rajesh Mourya, our company has touched the heights of success and developed a special place in countless customers hearts. We are popular for supplying Pool Test Kit, Swimming Pool Pump, Telescopic Pole, Underwater Fountain Light, and much more. The quality of products manufactured in our premises is matchless and is being appreciated by the customers throughout the market. We feel proud to see that our customers are satisfied with our goods as well as services and our hard work is paying off.
