About Us

Founded in the year 1983, we, Jangir Company, are an experienced manufacturer and supplier of Semi Automatic Slitting Rewinding Machine, Log Rolls Tape Slicer Machine, BOPP Tape Slicer Machine, Printing Machine, etc. We provide goods that are expertly designed and developed by our knowledgeable employees. The numerous qualities of our products, such as their excellent design, top-notch functionality, and low maintenance requirements, are much valued. We have built up a sizable clientele for ourselves as a result of the aforementioned qualities and features. Quality is our organizations top focus. Over a large area, we have built up a sophisticated infrastructure. Modern equipment and cutting-edge technology are included in our infrastructure.

To offer a high-quality selection of items, we have assembled a team of professionals with in-depth knowledge in this industry. To comprehend and meet the clients varied needs, these professionals collaborate closely with one another. Additionally, to make it simple for our customers, we accept payments using a number of quick methods to speed up financial transactions. Over the years, we have climbed the success ladder under the capable leadership of our mentor, Mr. Ram Lal Jangir. We have been able to build a sizable clientele for ourselves across the globe thanks to his in-depth expertise, relentless drive, and astute business sense.
