About Us

Wood is one of those essential materials which is used for making diverse products. Using wood, Vijayalakshmi Saw Mill produces fine pieces of packaging and storing which helps companies engaged in industries like food, pharmaceutical, metal, FMCG, machine-making, along with a host of various others to store and pack their offerings well. We have been serving in this industry from 2005 as manufacturer and exporter. The variety of products we are into manufacturing and selling includes Wooden Boxes, Wooden Crates, , Wooden Storage Crates, Wooden Packing Crates, Wooden Pallets, Merino Laminates Plywood, to quote a few. We are also provide Packaging Services like Overseas Packing Service, Granite Slab Packing Service. Boxes, pallets, and crates are available in many designs, dimensions and finishes, so customers wanting a specific size, design or finish or wooden item can place order with us. Making aforesaid products available in standard specifications is what we focus upon but if there's large order, then we custom-design products as per customers choices and preferences. Customers can suggest us the specifics in which they want products and as per their given descriptions we will develop a range.

Vijayalakshmi Saw Mill was formed a decade ago in Hosur, Tamil Nadu (India), to bring forth a variety of Wooden Packaging & Storing products. Also packaging services like Overseas Packing Service, Granite Slab Packing Service. Plywood Boxes, Plywood Storage Boxes, Wooden Crates, Wooden Pallets, along with a host of many products are developed at our unit well, following industrial standards. Every product has been developed in a way that satisfies users and help them store and pack different types of products, from consumables, medical to metal and much more easily. Being a company dedicated to serve only quality, we make sure that all produced products are flawless, defect-free, properly packed and carefully shipped.
