About Us

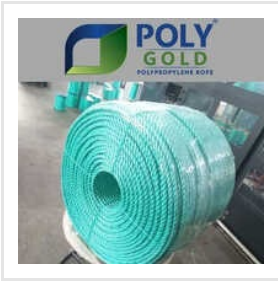

In the rope industry, many work hard to perfect themselves. However not many come close to the level of perfection that we, Harsh Poly Ropes, promises to offer. Since 1980, we have been a respected name of the sector, engaged in manufacturing a fine range of plastic ropes for a global clientele. We are trusted by thousands of customers because of our spot free track record of 39 years. Not even once, we have let a client leave our company disappointed, we always make sure that clients are offered a comfortable trading experience. Along with this, we also make sure that they get delivered with their ordered PP Twisted Ropes, HDPE Danline Ropes, PP Danline Ropes, Yellow PP Ropes, etc. on time. Whether the client is Indian or foreign, we treat both equally and assures equally fast delivery of orders for both. This is the reason, we have become a favorite manufacturer and exporter of many in the marketplace. It is our goal to improve our existing distribution network even more so that we can cater to the demands of our huge clientele spread worldwide with ease.

For the past 39 years, our company, Harsh Poly Ropes, has been a client's favorite in the plastic rope industry. Our plastic made ropes have revolutionized the industry with their exceptional strength, extreme tear resistance and durable service life. Our diverse array of PP Danline Ropes, PP Twisted Ropes, Yellow PP Ropes, HDPE Danline Ropes etc., is also acclaimed in the market for its high quality as well as seamless finish. One can avail this reliable collection of ropes from our Bhavnagar (Gujarat, India) based company at reasonable prices at all times. In addition, we also render best customer support to clients with immense pride. Apart from this, we also provide Distributorship.
