## About Us

We Neelkanth Healthcare Private Limited are manufacturers of natural nutritional products, herbal feed supplements and additives, mineral mixtures and TOXIN BINDERS for poultry, swine, cattile, aquaculture and equines. High quality herbaceuticals and feed additives are manufactured by us from the best of clays and phyto-constituents available in the world of Phytochemistry. Strong background of pharmaceutical and mineral background promoters to control the nutritional values in your feed and control the toxins in animal feed is our key strength. Great animal health by means of healthy feed and feed additives is our mail goal.

Our company, Neelkanth Healthcare Pvt. Ltd., is catering to market needs of toxin binders. Our entity is relying on its huge pillar of strength i.e., production in order to suffice demands of customers. We are leading markets all over the borders with sincerity by satisfying customers with our quality. Our selection of toxin binders go through a wide series of tests under supervision of experts. This helps us to providing singularly superior quality to our customers across continents. We are maintaining our range encompassing Mycotoxin Binder, Aqua Toxin Binder and many other items in our storage unit to meet sudden market demands in a stipulated time-frame.
