

**SIEMENS LOGO 8 PLC,
1 - PHASE INVANCE DRIVE &
SPC SERIES SOLAR PUMPING CONTROLLER**

Quality Of Our Products, Speaks On Our Behalf

1 - Phase Inovance Drive, 50-60 Hz Omron Sensor, AC Frequency Drive, AC Motor Drive, Aqua4Trans 4 Wire Transmitter, BPD High Protection Solar Pump Inverter, Conductivity Resistantivity, DA180 Economy AC Servo Drive, DA200 High Performance Servo Drive, Delta AC Drive, Delta PLC Delaer, EC160A Elevator Intelligent Machine, GD 300 L Crane Dedicated Drive, GD10 Mini VFD Drive, GD10 Series iNVT Drive, etc.

GD20 OPEN LOOP VFD DRIVE

GD200A GENERAL PURPOSE VFD DRIVES

GD350A MULTIFUNCTION VFD DRIVE

About Us

Raison Automation is acknowledged as one of the leading manufacturers, traders and suppliers of automation products which are supplied to STP, chemical, food, SPM, OEM, food & beverage, textile, steel, water & wastewater treatment plants. Established in 2017, our brand-Raison is committed to quality whether it is related to the products or services rendered. With our immense experience and commitment towards quality, we provide the best automation products to some of the world-famous companies. These products are Siemens Automation, Forbes Marshall Instrumentation, INVT Automation and Siemens Instrumentation.

Our offered products excel on various grounds such as designing, quality and performance. Our firm is also an authorized distributor of INVT Electric India and offerers their PLC, HMI, VFD, Servo Drive, Servo Motor and Solar Pumping Inverter all over the country. All the products are developed with the aid of experienced employees who are recruited by the management on the basis of their skills, knowledge and experience.

Key Facts

Nature of Business	Trader
Primary Competitive Advantages	schneider plc,schneider logic controller,schneider ac drive,schneider plc,siemens switchgear,siemens plc,siemens vfd,delta solar inverter,delta hmi,delta plc
No of Staff	25
Year of Establishment	2017
OEM Service Provided	No
ProductRange	schneider plc,schneider logic controller,schneider ac drive,schneider plc,siemens switchgear,siemens plc,siemens vfd,delta solar inverter,delta hmi,delta plc

Our Products

Human Machine Interface

INVT IVCIL PLC

GD300-01A Air Compressor Drives

BPD High Protection Solar Pump Inverter

SPC Series Solar Pumping Controller

EC160A Elevator Intelligent Machine

DA200 High Performance Servo

VS Series HMI Panel

Simatic Comfort HMI

Simatic Second Generation HMI

GD 300 L Crane Dedicated Drive

GD300-21 Dual Frequency Air

GD10 Mini VFD Drive

GD100-PV Solar Water Pump Inverter

INVT IVC3 PLC

DA180 Economy AC Servo Drive

ADDRESS

Sf No,162, Auto Nager, Palakkad Bypass Road, Madukkarai Post, Coimbatore, Tamil Nadu, India (641008).
