ONE STOP SURGICAL ITEMS SOLUTIONS

From The Founder Desk

Established in 2011, Medical & Surgical Solutions started its journey to supply surgical and medical consumables to nursing homes, small hospitals, and retailers. Today we are known for supplying the best range of surgical items like Surgical Sutures , Meshes, Syringes, Canullas, Nebulizers,BP Machine, Gluco Meter,Air Purifier, Pulse Oxy Meter Centrifuges, Monitors and many more surgical items etc.

We cater to many major medical institutes and hospitals all across the nation by recognizing the opportunity to serve corporations, hospitals, and a series of supply chain startups. The primary role of our distributorship services is to bridge the gap between upstream and downstream entities while adding important services that help smooth the distribution process. We are committed to better our services by incorporating the latest technology.

Today we are proud to be an authorized distributor of MNCs and big Indian surgical companies like Johnson & Johnson, BD, ASP, Life Scan, Baxter, Schulke, Terumo , Beurer Medical , Abbott, BDF Indian Companies like Romson, Healthium, Hindustan Syringes, Flamingo, Mil Laboratories, etc.. We are now the leading supplier, trader, exporter, and supplier of medical devices and consumables in Delhi-NCR.

Our company strives to develop and implement comprehensive solutions that will ultimately benefit the standard of care and improve the health care facilities. We are also ISO 9001:2015 & ISO UQ-1937 Certified Organization. Our IPQC Certification justifies why we are trusted by customers today.

We aim to add more products to our portfolio as well as more clients on our list of regular clients.
