Partek – A brand of Nutech Group, offers the most comprehensive range of high quality, eco-friendly, Smart Cleaning Machines, Tools and Chemical products with a range which has grown to almost 800 products. The after sales support of Partek is considered the best in the industry.

We offer cleaning & hygiene solutions to almost all segments like Healthcare, Hospitality, Industry, Retail, Food & Beverage, Infrastructure Projects, NGO's, and Government including Railways, Airports and Municipal Corporations. We also cater to the vast chain of Building Service Providers who are today the backbone in the growth of very important soft services to these sectors.

WE FOLLOW 12 STEP APPROACH SO THAT YOU GET THE MAX

- Try to understand your needs
- Do assessment of your site
- Advice you the options
- Make a proposal
- Conduct a demonstration
- Process your order
- Supply to your destination
- Do commissioning and training at your site
- Provide after sales service support
- Do regular audit of your property
- Follow-up with refresher training support
- We aim for complete customer satisfaction

Partek products are designed and manufactured keeping Indian conditions in mind at world class factories located in India, Switzerland, Germany, Italy, France, Denmark, USA & Japan meeting ISO 9001, ISO 14000 and 18001 Quality Systems so that you get the best.

Though there are no government guidelines for cleaning systems in India, but from the day one, we have always kept in mind to keep our product range >90% eco-friendly. So far, we have been very successful in doing so, even though it involves a much higher cost to manufacture. But in the end, we can swear by our products in terms of superior quality.

We are pioneers in many technologies that we have offered to the Indian market and our consistent effort to do so helps you to get the best while keeping your costs in control.

We thrive to get your attention, and we work hard keeping you happy that we are here.

Partek has already captured a larger portion of the market in terms of reach, penetration, business associates, service franchisees & distributor's network at a pan-India level.

Come Associate with us and we will take you to next level, which is "Simply Beyond Cleaning" = Hygiene
