About Us

With rapid changes occurring in technology, a lot has changed and a lot is continuously changing and on the basis of this, way of doing business has also changed. We, SailSafe Marine stepped into the market to help people be a part of this changing environment by sourcing the nonpareil range of jetties and boats from us at economically feasible amounts and grow their businesses along with us. Our wide array of products include Inflatable Bumper Boats, Inflatable Flying Fish, Floating Jetty, Inflatable Banana Boats and Rescue Boats are to name a few. As the name implies, we relentlessly work for helping people sail safe using our offered quality boats and jetties. As an importer, wholesaler, distributor and trader, we have set up a huge distribution network that allows us to distribute our offerings on time and at right destination with utmost safety.

SailSafe Marine is considered to be the nation one of the best trading businesses that not only offered varied range boats, Rescue Boats and jetties, but value. The products we offer include Inflatable Boat and Inflatable Banana Boats. Using ethical business practices is what makes us the best distributors in the domain. We operate from the heart of Maharashtra (India) state Mumbai and establishing strong supply chain management from this city allows us to fulfill the demands of our customers within stipulated time. Each of our products is highly demanded in the market because of their high quality, durability and reliability.
