About Us

Established in 2008, Kranti Alloy Steel is a trusted trader and supplier of high quality industrial steel products, serving diverse manufacturing and engineering sectors across India. Located in Bhosari, Maharashtra, our company has built a strong reputation by consistently delivering dependable material solutions that meet the evolving requirements of modern industries. We specialize in offering a comprehensive range of Cold Die Steel, Alloy Steel, Carbon Steel, Case Hardening Steel, Plastic Mould Steel and much more. Our products are sourced from reliable manufacturers and are supplied in accordance with industry standards to ensure superior performance, durability, and precision in industrial applications.

With years of experience and market understanding, we focus on maintaining product quality, timely deliveries, and long term customer relationships. Our commitment to transparency, customer satisfaction, and ethical business practices has enabled us to become a preferred supply partner for machine manufacturers, fabrication units, tooling industries, automotive sectors, and engineering companies.
