

INDUSTRIAL SCRAPER CONVEYOR

YOUR PARTNER IN ALL RIGHT CHOICES

Disc Type Oil Skimmer, Industrial Cartridge Filter, Industrial Chip Centrifuge, Industrial Compact Band Filter, Industrial Dual Type Chip Conveyor, Industrial Hinged Steel Belt Type Conveyor, Industrial Magnetic Type Conveyor, Industrial Mist Collector, Industrial Oil Skimmer, Industrial Paper Band Filtration System, Industrial Scraper Conveyor, Industrial Screw Coil Conveyor, Industrial Sump Cleaner, Isolation Transformer, Non Tilting Type Chip Bin, etc.

**INDUSTRIAL HINGED STEEL BELT
TYPE CONVEYOR**

**INDUSTRIAL MAGNETIC TYPE
CONVEYOR**

**INDUSTRIAL SCREW COIL
CONVEYOR**

About Us

At Drasla Technologies Private Limited, we have consistently focused on providing various cutting-edge solutions to the customers as a manufacturer and supplier. Ever since our company was established in the year 2018, we have experienced great level of success. We start by carefully analyzing the demands of customers and work accordingly to give them the best solutions. Customers have always praised us for our superior quality products such as Non Tilting Type Chip Bin, Industrial Oil Skimmer, Isolation Transformer, Oil Chiller, and many more. We make sure to test all manufactured batches in line with the highest quality standards, before they are delivered to the customers. Moreover, the key industries in which our products are highly demanded include Energy, Electronics, Medical, Aerospace, Mechanical, Electrical, and others.

The vision of our company is to always be aware of the particular demands of customers and accommodate them with the best solutions. In order to attain our vision, we deliver only the highest quality products such as Oil Chiller, Isolation Transformer, Industrial Oil Skimmer, Non Tilting Type Chip Bin, etc., to the customers. We also aim to keep the prices of our products in the best interest of our clients.

Key Facts

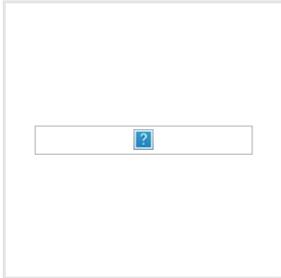

No of Staff	17
Year of Establishment	2018
OEM Service Provided	No

Our Products

Panel AC

Isolation Transformer

Industrial Scraper Conveyor

Industrial Dual Type Chip Conveyor

Industrial Paper Band Filtration System

Industrial Compact Band Filter

Tilting Type Chip Bin

Non Tilting Type Chip Bin

Industrial Chip Centrifuge

Industrial Sump Cleaner

Industrial Oil Skimmer

Disc Type Oil Skimmer

Industrial Mist Collector

Voltage Stabilizers

Oil Chiller

Industrial Cartridge Filter
