About Us

In this modern era where life is extremely busy & hectic, people are switching back to traditional methods of healing as well as medicinal herbs to fight against varied health problems and to reduce stress. With an aim to bring forth the benefits of natural herbs/food, we, Mehra Tea Company, embarked our journey in the year 1940. With abundant industry experience, we have marked our permanence in the domestic and global marketplace. We are regarded as a leading manufacturer, exporter, supplier and trader of Green Tea, Black Tea, Assam-Blend Black Tea, Spices, Crude Drugs, etc. Our entire range is processed in hygienic conditions and possess unmatched medicinal properties. Owing to the superior quality of our range, we have been able to acquire the membership of Tea Trader Association.

It has been more than 80 massive years that our company, Mehra Tea Company has been manufacturing and exporting excellent aroma and fresh Green Tea, Assam Blend Black Tea, Black Tea, Lacha Green Tea, Mash Dana Tea, Super Fine Tea and more. All these varieties of tea are harvested by our own farmers under the supervision of the agro experts. While processing Tea, we strictly kept in mind the norms & guidelines of the respective industry. The mouthwatering taste, soothing aroma and purity of our offered Tea raise their demand in the whole world. Situated in Amritsar, Punjab (India); we are fulfilling the requirements of both Indian and foreign clients by delivering Tea in bulk quantities.
