About Us

Engaged in the domain of home furnishing and allied products, we - Emkay Groups, are a prestigious name from New Delhi, India. Established in 2000, we have gained more than twenty years of experience in the industry and earned our position as a reliable manufacturer and supplier of Table Placemats Coasters, Study Table Mats, Multicolor Shelf Liners Skid Mat, Gift Set Pack 12 Table Placemats, Fridge Mats, etc. We sell our products under the manufacturing brand name WRAPPO. Over the years, we have gradually developed a large facility to facilitate our business operation. Our production unit is equipped with advanced tools and machinery and is handled by expert professionals. Our manufacturing process begins with the design & development of new products. This includes research into the latest trends, materials & technology development. Thereafter, various processing activities are carried out such as cutting, sewing, assembling, & finishing.

The whole process of manufacturing to packaging and dispatch takes place from our premises. We give attention to detail to every stage of our operation and ensure that our clients get the value for money. We are capable of completing large orders in a short duration because of our higher production capacity. We use the latest machines and tools in the processes to ensure the high quality of the entire range. Because of these reasons, our products have received high demand in various states of India.
