"ABCo's performance as a service provider is commendable and we have gained a lot from their proactive actions at our plants. We recommend them highly to anybody who requires efficient heavy-duty material handling solutions"

**R.N. Kundur**

Purchase Manager  
Araco Automation

"It's surprising to see such a small set of people could handle our projects with extreme ease. They know what they are doing and they do it very well. Best of luck to their team"

**H. Srinivas**

Sr. Manager - Maintenance  
Ashok Leyland

"We have experienced the best services of ABCo and they have proven they can keep our handling line in perfect working condition. We can vouch for their commitment to their work"

Jagannath aralikatti  
Production Manager  
AISIN NTT(Toyota Group)

"Our partnership with ABCo is a big success. Our objectives for Indian market are well met by them. With subject matter experts, technology is not a problem with ABCo."

**H.S. Murali**

Regional Sales Manager  
Demag Cranes & Components India (P) Ltd.
