## About Us

Established in 2007, Fill-N-Pack Machineries is a renowned manufacturer, supplier, distributor, and exporter of a wide array of Form Fill & Seal Machines and Wrapping & Packing Machines. Our extensive product portfolio includes Candy Wrapping Packaging Machine, Automatic Horizontal Flow Pack Wrapping Machine, PLC Flow Wrapping Machine, SS Flow Wrap Machine, among others. Known for their precision engineering, our machines are valued for features such as robust construction, high efficiency, low maintenance, easy installation, and energy efficiency. Our products are crafted using superior-grade raw materials and advanced machinery, sourced from trusted vendors. We ensure quality through stringent inspections at every stage, including incoming material checks, process-level inspections, final trials, and CE certification. Customization options are also available at competitive prices to meet varied client needs.

Our state-of-the-art infrastructure, spread across 2000 sq. ft. in S.G.M. Nagar, Faridabad, includes 2 plants and 3 divisions, supporting streamlined operations under one roof. We also operate branches in Kerala, Chennai, Indore, and Dubai. Our esteemed clientele includes industry leaders like Unilever, Amrutanjan, Emami, MDH, CavinKare, and Divya Pharmacy, with a strong export presence across global markets. Led by Mr. K. V. Antony (CEO), whose 36+ years of expertise and innovative vision continue to guide our growth, our company remains committed to delivering cutting-edge packaging solutions worldwide.
