About Us

Established in the year 2020, Siddhtech Industry, has emerged as a prominent player in the manufacturing a diverse range of high-quality machinery. Our portfolio includes top-of-the-line Automatic Edge Bander Machine With Corner Rounding, CNC Routers Machine, Hydraulic Cold Pressing Machine, Engraving Machine, etc.

What sets us apart is our unwavering commitment to quality. Each of our products is meticulously crafted using premium materials sourced from trusted vendors, ensuring durability, reliability, and optimal performance. Moreover, we pride ourselves on our ability to customize solutions according to the unique specifications and requirements of our valued customers, thereby offering tailor-made solutions that perfectly align with their needs. Driving our success is the astute leadership of Mr. Milind Baldevbhai Sonkusre, whose wealth of experience and expertise in the industry has been instrumental in guiding our team towards excellence. Under his visionary guidance, we are dedicated to not just meeting but exceeding the expectations of our clientele, delivering innovative and reliable solutions that empower businesses to thrive in today's competitive landscape.
