## About Us

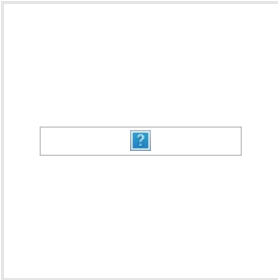

We, IG Scientific Solutions, are a market-leading importer, exporter, wholesaler/distributor and trader of Laboratory Stirrer, Laboratory Magnetic Stirrer, Industrial Freeze Dryers, Freeze Dryers, Heated Bath Circulator, Cooling Bath, and many more products, since 2016. We deal in an array of products that are high in quality, affordable and made available in various specifications to cater to the needs of customers. Our production partners have expertise in designing a diverse range of products that are superior in quality. Besides this, our team is the strongest pillar of our enterprise and its due to their dedicated work and support of our proprietor, Mr. Kumar, we have established ourselves as a leading firm. With their cohesive work approach, we proficiently cater to even bulk orders that too in guaranteed time frame. Our team and manufacturing partners work with utmost dedication to make sure that the products meet quality norms.

We follow systematic and client-centric approach to conduct business deals, so that we can make our customers happy. Our attempts of surpassing customers expectations are highly cherished in the market, we promise to maintain the same ground of excellence in the superiority of our goods and services. Besides this, we are open to the feedback of the customers because we believe that this is the best way to improvise and develop a cordial relationship with them.
