About Us

Saroop Industries is a Delhi based Manufacturer, Supplier, Trader, and Exporter of electrical and automotive components, established in 2017. With a focus on product quality, functional reliability, and customer satisfaction, the company offers a diverse range of solutions designed to support electrical connectivity and wiring requirements across various applications. Our product portfolio includes Plastic Components, Universal Connectors, Special Connectors, Musical Flasher And Starting Relay, Wiring Harness Set, Battery Cable Set, Brass Terminals, Fuse And Terminal Caps, and so on.

We understand the importance of dependable components in ensuring efficient electrical connections and consistent product performance. We strive to serve our customers with suitable product options, practical solutions, and professional business support. Our approach emphasizes understanding individual requirements, maintaining product consistency, and developing long term relationships with clients.
