About Hexa Petal

Established in the year 2017, we, Hexa Petal International are the exporter, wholesaler/ distributor, supplier and trader of various natural products. Our offerings includes wide range of Natural Plant Extracts, Botanical Raw Materiali, Gloriosa Superba Seeds, Turmeric etc. Serving quality products is our identity. Our products are well famous in the market for their quality, and are widely accepted in the domestic as well as international market. All our offerings are collected from reliable sources. We ensure that they are collected from well managed environment or directly from the forests and do not contain chemicals that would cause adverse effects on the human body.
