About Us

Established in 2007, located in Nagpur, Maharashtra, India, Shining Sun specialize in providing high-quality products and services to optical professionals worldwide. As a trusted manufacturer, trader, exporter, importer, and supplier, our comprehensive range of products, including Digital Auto Lensmeter, Vision Chart, Auto Refractometers, Auto Lens Edger With Scanner and Microscope Slit Lamp, are designed to meet the diverse needs of the optical and healthcare industries. We pride ourselves on offering advanced technology and precision-engineered products that help optimize optical practices. Our solutions are built with reliability and performance in mind, empowering optical professionals to deliver top-notch services to their clients.

Our mission is to empower optical professionals with top-quality, innovative, and reliable equipment. We aim to enhance the precision and efficiency of eye care practices through our products, ensuring that every client has access to the tools needed for optimal performance. With a focus on customer satisfaction, we strive to be a partner in the ongoing success and growth of the optical industry. We are dedicated to fostering long-term partnerships with our clients by providing exceptional products, responsive customer service, and customized solutions. Whether you're looking to upgrade your existing optical equipment or seek new technology, we are here to support your needs with reliable products and services that exceed expectations.
