About Us

A company that is well-established as a manufacturer and supplier and can be trusted easily for getting hands-on world-class cable management systems is named Suvandan Engineering Works. We have been in business since 2017. Since the beginning, we have been flawlessly meeting the demands for robustly constructed Junction Boxes, Cable Clamps, Nut Bolts, T Bend Cable Trays, and other related products.

Our positive track record over the years and huge clientele are testimony to our success. Customers from all over the world trust us with their time and money. Our existing customers know what we bring to the table, which is why they do not back off from initiating positive word of mouth for us and acting as our growth driver.
